FRONT-AL SPECIALIZES IN PROCESSING ALUMINUM AND GLASS.

We follow European trends in furniture design. We cooperate with European manufacturers and import high-quality materials from them. All our products are custom-made and they are manufactured in Miami.

We provide different furniture components:

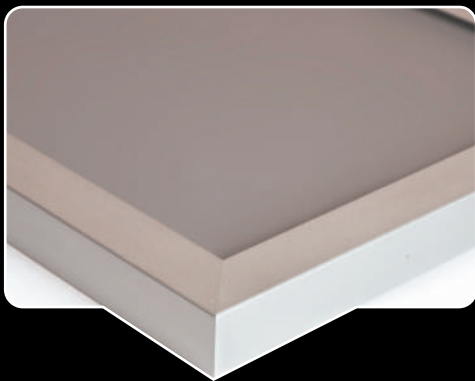

- Aluminum frame doors – for cabinets, closets and wardrobes,
- Handles,
- Furniture aluminum legs,
- Cabinet boxes.

We manufacture aluminum frame doors in six different styles.

- The doors are custom-made.
- An insert (4 mm thick) can be added to the frames (we can provide doors with glass inserts).
- Handles can be added to the doors (we mill handles and adjust them to the doors).

The following colors and profiles for aluminum frame doors are available:

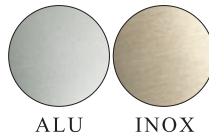

- F-1 alu, inox (brushed dark bronze)
- F-2 alu, inox (brushed dark bronze)
- F-4 alu, inox (brushed dark bronze)

WE OFFER COMPONENTS FOR CLOSETS AND WARDROBES.

The doors are made of aluminum, the inserts can be made of either glass (4 mm thick) or particle boards (10 mm thick). The size depends on your design – we manufacture custom-made doors and adjust them to your interiors.

Additionally, we provide systems GRACE for interiors of closets and wardrobes. It is easy to assemble and easy to change later. You can move the elements quickly and adjust the design to your needs.
